ACADEMICS

HOPE Academy's rigorous, college-preparatory curriculum develops critical thinking, promotes collaboration, and is applied through project-based learning. Honors courses are available for the following disciplines: English, History, Science, Math, and Language.

At this time, AP courses are not offered at Hope Academy.

GRADE LEVEL SEMINARS & STUDY HALLS

Grade Level Seminars allow students to learn grade specific academic skills, collaborate with peers on projects, and set goals with the guidance of a faculty advisor.

Study Halls provide students the opportunity to develop time management skills and seek additional support from their instructors.

EXTRACURRICULAR ACTIVITIES

The university model allows students to engage meaningfully in rich academic studies and unique personal interests. Students participate in extracurricular school activities such as community serve days, college tours, mission trips, worship band, theater production and Environmental Club. Additionally, HOPE students participate in community athletic programs, employment, internships, and local ministry. These opportunities allow HOPE Academy students to grow in character and leadership along with developing the important attributes of time management, organization and professionalism.

NOTICE OF NONDISCRIMINATION

HOPE Academy admits students of any race and ethnic origin to all the rights, privileges, programs and activities made available to students at the school. It does not discriminate on the basis of race or ethnic origin in the administration of its educational policies.
